SPECviewPerf & Perfmon Report

This report contains results for running the sw viewset for 3 iterations,

as well as memory and processor utilization data obtained during the test using perfmon

SPECviewPerf Results:

Final Composite Score from iteration 1: 13.97 FPS

Final Composite Score from iteration 2: 14.33 FPS

Final Composite Score from iteration 3: 14.02 FPS

Final Average Composite Score: 14.106666666666667FPS
